Update from President Jorgen

I am happy to report that the committee has decided to offer people on the waiting list access to join an interest group where there are free spaces available. People on the waiting list will get an email with this

information and instructions. They must write to me at jschousboe@gmail.com and tell me which group they want to join. I cannot promise a space is available, but we will do our best. Anyone who joins an interest group commits to becoming a full sub-paying members when they reach the top of the waiting list. I must emphasise this does not allow them to attend the large Monday meetings where local regulations restrict numbers. Although far from perfect, we hope this will help a little. We have looked at many alternatives including moving to a larger venue but we are keen to be part of the local community and support the Mount Pleasant Community Centre. Feel free to write to me with your views on these matters. I am always keen to get your feedback. Meanwhile I look forward to seeing you on Monday 15 April at our next big meeting.

Regards

Jorgen

Our Interest Groups

Here is the link to our complete list of interest groups <https://u3apegusus.org.nz/interest-groups/> We encourage you to have a look and decide if there is a group that you would like to belong to. There is also information about the interest groups on the table in the foyer of the Mount Pleasant Community Centre at our monthly meeting. Please put your name down if there is a group you would like to belong to. Anyone who has an idea for a new group be it language, music, learning a new skill, current events etc., please let one of the committee members know. We can then gauge interest among the members and the group can be started.
